

Note to the External Auditor

The figures for the previous year's accounting statements have been restated to remove the Recreation Ground Accounts from the figures. This has been marked on the accounting statements for the previous year.

The changes to the figures are:

Balance brought forward	from: 94,594	to: 94,306
Total other receipts	from: 22,615	to: 22,605
Balances carried forward	from: 89,379	to: 89,081
Total value of cash and short term investments	from: 89,379	to: 89,081

This is to ensure that the accounting statements do not include any trust transactions.
